Vision

To be a growth company focused on continuously improving customer experience through people, products and processes while making a positive impact on society and the environment.

Customer Intimate

Meet customer expectations.

Execute

Deliver results.

Growth

Be a high growth company where staff also grow professionally.

Respectful & Inclusive

Show all stakeholders respect.
Communicate effectively and listen to learn from others.

Meaning

Positively impact people and the planet.

GIVE meaning TO YOUR cleaning™

The Dustbane team is excited to build on its legacy of social and environmental responsibility. On November 5th, 2019 we launched our Give Meaning to Your Cleaning™ Initiative. This represents a strengthened commitment to delivering high quality products and customer service excellence, while making responsible, sustainable choices for our planet and giving back to people in our communities.

We believe that our employees, partners, and customers want to work with organizations that are doing right by our planet and its people, while helping them solve a business problem.

Dustbane is also committed to taking action on climate change. An easy and impactful way to combat climate change is by planting trees. Restoring destroyed forests is one of the keys to healing the planet and maximizing nature's ability to tackle global warming.

Our latest initiative promises to plant a tree for each eligible 4 L ECOLOGO® certified hard surface cleaner sold. With your help, our goal is to plant 1 million trees by 2025.

ECOLOGO® Certified Products

Dustbane offers a complete line of products that are tough on dirt and easy on the planet. We create better products in a more environmentally responsible way. UL Environment provides independent, 3rd party credible validation of green marketing claims. Upon validation, UL Environment recognizes sustainable products by bringing trusted transparency to the green marketplace.

Format	Code	Qty
4 L	50201	4

Azure All-Purpose Surface & Glass Cleaner

A surface cleaner that delivers exceptional performance, while being also an ideal choice for glass surfaces.

Format	Code
4 L	53761

Bio-Bac Free Fragrance-Free Multi-Purpose Cleaner

Yielding multiple applications with simple dilutions, Bio-Bac Free offers the ideal cleaning solution for floors, windows, stainless steel, restroom surfaces, and even textiles, reducing your product inventory.

Format	Code
4 L	53762

Bio-Bac II Bio-Based Cleaner, Degreaser and Deodorizer

A blend of surfactants and bio-cleaning agents that provides a revolutionary cleaning solution. Penetrates hard surfaces to remove organic soils in a safer and more efficient way.

Format	Code	Qty
1 L	50247	4

Doodle Buster Graffiti Remover

This high foaming formula provides optimal coverage. Although it's ideal for new and old graffiti stains, it can also be used for hard surface cleaning, degreasing, carpet cleaning and removing adhesive residue.

Format	Code
4 L	53191
20 L	53193

Eco-Expert Carpet Cleaner

Works well with all Dustbane spot and stain removers. The blend of very low foaming surfactants will not clog vacuums, and allow recovery tanks to be completely utilized. Contains no phosphates.

Format	Code
4 L	50206
20 L	50208
210 L	50209

Emerald Hard Surface Cleaner & Degreaser

Its safe yet powerful formula effectively cuts through grease, oil and heavily soiled surfaces. This biodegradable cleaner/degreaser is solvent free.

Excelsior
General Purpose Hard Surface Cleaner

Offers a cleaning solution with exceptional performance without the use of harsh chemicals. It offers superior cleaning efficiency therefore reducing labour.

Hand & Body Shampoo
Personal Care Product

Specially formulated for gentle cleaning action. This clear blue-green cleanser has a pleasant fragrance and neutral pH balance. It contains no phosphates, and is APE and VOC free. Mild to the skin.

Oxy D.S.T.
Hydrogen Peroxide Based Cleaner

Combines the powerful cleaning and degreasing properties of Dustbane's Dynamic Surfactant Technology with the amazing stain lifting power of oxygen bleach.

Film Away
Neutral Detergent & Ice Melt Remover

A great cleaner combined with a neutralizing feature for ice melter residues. Can also be used as a multitask cleaner and reduces the risk of leaving your floor with an unbalanced pH.

Orbit
All Systems Floor Finish

Developed for use in high profile areas where the ultimate "wet look" gloss and durability are desired. Its high solid content builds the required film thickness with fewer coats.

Oxy-Q
Hydrogen Peroxide Based Disinfectant

Utilizes the power of hydrogen peroxide to create a non-toxic, complete cleaning solution: hard surface cleaner, floor cleaner, carpet cleaner, washroom cleaner, degreaser, disinfectant, and deodorizer.

Foundation ★★★
Floor Sealer

Foundation achieves uncommon levels of durability and permanency for total sealer protection for resilient and non-resilient floors. APE and odour free.

Organic
Restroom & Bowl Cleaner

Surfactant-based, this cleaner generates a foam that clings to surfaces to give optimal contact time for a deeper clean. Eliminates rust stains in toilets, urinals, sinks and bathtub

Polar
Cream Cleaner

A multipurpose cleaner that powerfully removes dirt, soap scum, hard water build up, and mineral stains from a multitude of surfaces. Its non-acidic formula eliminates the risk of damage to sensitive materials.

Format	Code	Qty
4 L	50201	4

Quat Plus Liquid Disinfectant

A disinfectant and germicidal detergent with the cleaning performance of a neutral quat that eliminates odours. Destroys a wide range of bacteria, fungi and viruses without the harsh smell of chemicals.

Format	Code	Qty
4 L	50220	4
20 L	50222	1

Tradition Hand Cleaner

Tradition's emollient containing formula effectively cleans and leaves hands feeling smooth and soft. Use with an open top dispenser in commercial and institutional washrooms, restaurants, hospitality, offices, and schools.

Format	Code	Qty
4 L	52119	4

Restore Maintainer

A triple action floor maintainer for ultra high speed (UHS) maintenance programs which cleans and restores while maintaining an exceptional appearance.

Format	Code	Qty
4 L	50228	4

Tradition Plus Foaming Hand Cleaner

Tradition's emollient containing formula effectively cleans and leaves hands feeling smooth and soft. The foaming formula reduces the amount of soap dispensed by more than 50%.

Format	Code	Qty
4 L	50238	4
20 L	50239	1

Time-Out Plus Floor Stripper

Time-Out Plus' innovative formula is powerful yet environmentally friendly. It cuts through layers of floor finish and sealers quickly and efficiently, with no fumes or odours.

Format	Code	Qty
1 L	53346	4
4 L	53347	1
20 L	53348	1

Vayselle Liquid Dish Cleaner

Concentrated formula and an excellent degreaser. Its neutral pH, biodegradable formula is tough on grease and fat, leaves dishes sparkling clean but is still mild on the hands.

The ECOLOGO® Difference

Reduces Single-Use Plastics

Less is more! Super concentrates allow for reduced packaging and waste.

Safe Ingredients

No ammonia, no petroleum ingredients, no E-glycol ether, and biodegradable.

Look For This Symbol!

Products featuring our "Buy 1 | We Plant 1" logo plant a tree with each purchase.

Strippers

Over time, floor finishes can wear down and become dirty, and need to be removed before a new one can be re-applied. Floor stripping is all about completely removing old wax, soil and debris found on the floor. Generally it is one of the most labor intensive and time consuming jobs in the professional cleaning industry.

Floor Care

You only get one chance at a first impression. Walking into a health care facility, office, or retail store, what is one of the first things you notice? The floors! Are they clean, clear of debris and scuff marks, or are they dirty and dingy? Floor care is often overlooked but the impact it has on customers and clients is immeasurable.

ECOLOGO

Time-Out Plus Floor Stripper

Time-Out Plus' innovative formula is powerful yet environmentally friendly. It cuts through layers of floor finish and sealers quickly and efficiently, with no fumes or odours.

Sealers

Floor sealers are able to protect your existing flooring investment from future abrasions, dirt, and improve floor safety. They considerably reduce maintenance costs. One thing to remember, is that floor sealers and floor finishes are not the same products. Sealers are used for building a base before you apply a finish and, given their high solids percentage, they exhibit little or no shine. A sealed, unfinished floor will have a dull or matte appearance.

Format	Code
5 L	53784
20 L	53785

Accolade ★★★
Floor Sealer & Finish

Seals and finishes in one easy step, providing exceptional gloss and levelling. Specifically formulated to protect both resilient and non-resilient floors.

Format	Code

Neutralizers

A neutralizer cleaning chemical is anything but neutral. In the cleaning world, a cleaning chemical that is termed a “neutralizer” will most often be acidic, in the pH range of 2. Neutralizers are used to bring alkaline liquids and residues back to a pH of 7 (or neutral), making it simpler to clean up and preparing the surface for the floor finish.

Maintainers

Floor maintainers can considerably improve cleaning standards and also achieve cost savings. A maintainer is a combination of detergent and wax polymer which cleans, enhances slip resistance, removes black marks and scuffs while building gloss on hard floors.

Format	Code
4 L	51440

The image shows a 4L bottle of Film Away Neutral Detergent & Ice Melt Remover. To the left of the bottle are safety icons: a red diamond hazard symbol, a pair of safety glasses, and a pair of gloves. Below these is an ECOLOGO logo featuring a tree and the text 'ECOLOGO'.

Film Away Neutral Detergent & Ice Melt Remover

A great cleaner combined with a neutralizing feature for ice melter residues. Can also be used as a multitask cleaner and reduces the risk of leaving your floor with an unbalanced pH.

Format	Code
5 L	53540

The image shows a 5L bottle of Neutralizer Floor Neutralizer & Cleaner. To the left of the bottle are safety icons: a red diamond hazard symbol, a pair of safety glasses, and a pair of gloves.

Neutralizer Floor Neutralizer & Cleaner

Neutralizer's effective penetrating action conditions floors by neutralizing and cleaning stripper residues before applying a water emulsion floor sealer or finish.

Format	Code
5 L	51330
20 L	51332

The image shows a 20L bottle of Challenger UHS Floor Cleaner and Maintainer. To the left of the bottle is a red diamond hazard symbol.

Challenger ★★★ UHS Floor Cleaner and Maintainer

Specifically formulated to clean floors maintained with ultra high-speed finishes. A floor finish that stays cleaner longer, reducing the need to strip floors. Works great on finished wood floors.

Format	Code
4 L	52119

The image shows a 4L bottle of Restore Maintainer. To the left of the bottle are safety icons: a red diamond hazard symbol, a pair of safety glasses, and a pair of gloves. Below these is an ECOLOGO logo featuring a tree and the text 'ECOLOGO'.

A triple action floor maintainer for ultra high speed (UHS) maintenance programs which cleans and restores while maintaining an exceptional appearance.

Format	Code
4 L	51952

The image shows a 4L bottle of Cross-Link Spray Buff Maintainer. To the left of the bottle are safety icons: a red diamond hazard symbol, a pair of safety glasses, and a pair of gloves.

Cross-Link Spray Buff Maintainer

A spray buff solution used to repair your floor and maintain its high appearance between refinishing. Formulated to restore gloss to tired, worn floors while removing scuff marks and scratches.

Finishes

Floors act as supporting background for the rest of the room and provide that clean, luxurious look. The look of your flooring can greatly impact the perception that people have of your business. The durability of a floor is also influenced by the amount of wear it will receive. Floor finish creates a hard surface that can withstand wear better than bare flooring.

Format	Code
5 L	52060
20 L	52061

Acclamation ★★ All Systems Floor Finish

Fast-drying formula, developed for use in high profile areas where the ultimate wet look gloss and durability are desired.

IMPORTANT:

Certain maintenance procedures and products may vary according to type, grade, age and condition of flooring. This chart attempts to give you a general indication of which products will give you the best results. Data subject to change without notice.

Use and wear protective equipment or clothing required by the employer. The use of protective gloves and safety glasses is highly recommended.

Refer to product label and MSDS/SDS before use. For complete product information, please consult www.dustbane.ca.

Floor Care In 4 Steps

Step 1: Floor Preparation

Before proceeding, remove all furniture and roll up all walk-off mats. Sweep the room or vacuum to remove all debris from the floor surface.

Safety is very important during floor maintenance, for both the person doing the cleaning and especially for people walking in the area being cleaned. Slips and falls can happen in a second and can be very dangerous, causing broken bones, head injuries or worse. The proper use of floor signs, as well as following correct cleaning procedures, can reduce the risks of injury. Always wear the appropriate personal protective equipment.

Step 2: Stripping

When choosing a stripper, the performance is the key factor. Keep in mind that if you buy a cheap or poor quality floor stripper, you might not save money in the long run.

The following factors are important to consider:

- Ease of penetration of the film
- Cost in use
- Odour
- Free-rinsing

	Time-Out Plus	Champion	Formula-1	Dynamite
Level of Performance		★★★	★★	★
Dilution	1:20	1:12	1:10	1:4
pH (1% solution)	10.4	10.9	10.9	12.5
Dwell Time	5-8 minutes	3-5 minutes	3-5 minutes	3-5 minutes
Active Ingredient	Solvent	Solvent	Solvent	Solvent/Caustic
Odour	Odourless	Citrus	Lemon-mint	Odourless
Recommended Neutralizer	Film Away	Film Away	Film Away	Neutralizer

Step 3: Sealing

When choosing a sealer, just remember the acronym **SAP**:

Safety: It must not increase slip potential or emit harmful fumes.

Appearance: The higher the gloss level, the greater the degree of color enrichment.

Performance: Thickness, durability, and maintenance requirements.

	Foundation	Accolade	Gard
Level of performance		★★★	★★
Coverage	1600 ft ² to 2500 ft ² (4 L)	1830 ft ² to 3014 ft ² (5 L)	1830 ft ² to 3014 ft ² (5 L)
Number of Coats	2-3	2-3	2-3
Drying Time	30-60 minutes	30-60 minutes	30-60 minutes
Solid Contents	16%	20%	15%
Resilient Floors	Yes	Yes	Yes
Non-Resilient Floors	Yes	Yes	Yes

Step 4: Floor Finish

When comparing floor finish consider these factors:

- Maintenance: Is spray-buffing or burnishing required? If so, how often?
- Ease of removal
- Performance curve
- Appearance of glossiness

	Orbit	Glacier	Gran-Prix XL
Level of performance	★★★	★★★	★★
Coverage	1600 ft ² to 2500 ft ² (4 L)	2000 ft ² to 3200 ft ² (5 L)	2000 ft ² to 3200 ft ² (5 L)
Number of Coats	1-3	1-3	1-3
Drying Time	30 minutes	45 minutes	30 minutes
Solid Content	20%	25%	19%
Resilient Floors	Yes	Yes	Yes
Non-Resilient Floors	Yes	Yes	Yes
Burnishing	Yes	Yes	Yes

Hard Surface Cleaners

Bacteria are everywhere — especially on the surfaces you touch. By maintaining clean surfaces, you'll make sure that the right levels of hygiene in your environment are upheld. Without regular surface cleaning, cold and flu viruses are more readily spread from person to person. This can lead to periods of employee absence, which interrupts business, and costs the company time and money.

Format	Code
4 L	50201

Azure
All-Purpose Surface & Glass Cleaner

A surface cleaner that delivers exceptional performance, while being also an ideal choice for glass surfaces.

Format	Code
4 L	53761

Bio-Bac Free
Fragrance-Free Multi-Purpose Cleaner

Yielding multiple applications with simple dilutions, Bio-Bac Free offers the ideal cleaning solution for floors, windows, stainless steel, restroom surfaces, and even textiles, reducing your product inventory.

Format	Code
4 L	53762

Bio-Bac II
Bio-Based Cleaner, Degreaser and Deodorizer

A blend of surfactants and bio-cleaning agents that provides a revolutionary cleaning solution. Penetrates hard surfaces to remove organic soils in a safer and more efficient way.

Format	Code
4 L	50211
20 L	50213

Excelsior
General Purpose Hard Surface Cleaner

Offers a cleaning solution with exceptional performance without the use of harsh chemicals. It offers superior cleaning efficiency therefore reducing labour.

Format	Code
5 L	51330
20 L	51332

Challenger ★★
UHS Floor Cleaner and Maintainer

Specifically formulated to clean floors maintained with ultra high-speed finishes. A floor finish that stays cleaner longer, reducing the need to strip floors. Works great on finished wood floors.

Format	Code
5 L	55907
20 L	55910

Preference ★
All-Purpose Neutral Cleaner

Everyone loves sparkling clean floors and fresh floral fragrances. This neutral cleaner, with its labour-saving no rinse formula, removes soil but leaves no residue.

Format	Code
5 L	51283

Green Klean All-Purpose Detergent

A multi-use neutral cleaner and degreaser which can also replace many specialty products, thereby drastically reducing inventory and simplifying purchasing requirements.

Format	Code
5 L	52410
20 L	51411
210 L	51412

Compare ★★ Neutral Detergent

A versatile, general purpose detergent. Its concentrated formula makes cleaning economical and efficient as only a small amount is required to complete the cleaning task.

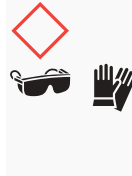

Format	Code
4 L	51440

Film Away Neutral Detergent & Ice Melt Remover

A great cleaner combined with a neutralizing feature for ice melter residues. Can also be used as a multitask cleaner and reduces the risk of leaving your floor with an unbalanced pH.

Format	Code
5 L	51272

Nu-Life Soap Film Remover

Penetrates and dissolves soap scum, hard water film and other organic residue in showers, bath tubs, toilets and urinals, for easy and effortless removal, without the use of acid cleaners.

Format	Code
4 L	53759

Oxy D.S.T. Hydrogen Peroxide Based Cleaner

Combines the powerful cleaning and degreasing properties of Dustbane's Dynamic Surfactant Technology with the amazing stain lifting power of oxygen bleach.

Choosing The Right Products Using The pH Scale

Cleaning is an attempt to neutralise the impact of acidic or alkaline ions in a stain or soiling. So if you wish to clean a soil that is acidic, you should use an alkaline cleaning product, and vice-versa.

Running from 0-14, the pH scale helps you to determine whether a substance is acidic or alkaline. A substance with a pH of 7 is neutral; anything lower than 7 is increasingly acidic, with 0 being the most acidic, and anything higher than 7 is increasingly alkaline, with 14 being the most alkaline.

Azure	(pH: 9.0)
Compare	(pH: 9.0)
Excelsior	(pH: 9.5)
Nu-Life	(pH: 10.6)
Oxy D.S.T.	(pH: 6.25)
Film Away	(pH: 7.0)
Challenger	(pH: 7.0)
Green Klean	(pH: 7.5)
Bio-Bac II	(pH: 7.5)
Bio-Bac Free	(pH: 7.5)
Preference	(pH: 8.5)

Disinfectants

Disinfecting vs. sanitizing — what's the difference? The purpose of a sanitizer is to reduce the number of microbes to a safe level, while a disinfectant will completely destroy them.

Format	Code
4 L	50201

Quat Plus
Liquid Disinfectant

A disinfectant and germicidal detergent with the cleaning performance of a neutral quat that eliminates odours. Destroys a wide range of bacteria, fungi and viruses without the harsh smell of chemicals.

Format	Code
4 L	52880

Oxy-Q
Hydrogen Peroxide Based Disinfectant

Utilizes the power of hydrogen peroxide to create a non-toxic, complete cleaning solution: hard surface cleaner, floor cleaner, carpet cleaner, washroom cleaner, degreaser, disinfectant, and deodorizer.

Format	Code
4 L	52850

HealthGuard
One-Step Cleaner Disinfectant and Deodorant

This fast-acting disinfectant with enhanced cleaning powers is safe for all washable surfaces, making it ideal for an everyday, multi-use surface disinfectant.

Format	Code
5 L	53023
20 L	53024

Vanguard ★★★
General Purpose Disinfectant Cleaner

This neutral quat-based cleaner is highly efficient in destroying a broad range of bacteria, viruses, fungi, and other microorganisms from hard surfaces. Effectively inhibits the growth of odour-causing mold and mildew.

Format	Code
5 L	53016
20 L	53017
210 L	53018

Pinosan ★★
General Purpose Disinfectant Cleaner

Offers a powerful cleaning, deodorizing and disinfecting performance. Its neutral quat formula has a broad spectrum of efficacy against bacteria, fungi and viruses and leaves a pleasant pine fragrance.

Format	Code
1 L	52847
4 L	52848

Disinflex
Cleaner, Disinfectant and Deodorizer

Achieve optimal disinfection in 5 minutes or less! Delivers fast and effective cleaning and disinfecting performance in the convenience of a ready-to-use formula. viruses, and fungi.

Format	Code
5 L	53025

Vanguard 256 General Purpose Disinfectant Cleaner

A concentrated version of Vanguard specifically formulated for the healthcare industry. Destroying a broad range of bacteria, viruses, fungi, and other microorganisms from hard surfaces.

Format	Code
5 L	51440
20 L	51349
210 L	51350

Triple Action Cleaner, Degreaser & Disinfectant

Triple Action cleans, degreases, and disinfects in one easy step. Reduce your inventory while simplifying your purchasing decision and maintenance program with this 3-in-1 cleaning solution.

Format	Code
6.55 g x 120	53379

UniTab Disinfectant & Sanitizing Tablets

An effervescent disinfectant and sanitizer tablet that just requires water. Effective against a broad range of microorganisms including C. difficile spores, and Hepatitis A.

Format	Code
4 L	52898

Quatromyicide V Disinfectant, No Rinse Sanitizer, and Deodorizer

A broad-spectrum disinfectant and sanitizer that has been formulated to aid in the reduction of cross-contamination on treated surfaces in areas of prime importance.

How To Choose The Right Disinfectant

Not all disinfectants do the same job, knowing the difference between each product is a must for proper use of your chemicals. Here's some things to consider when choosing the right disinfectant.

1: Know Your Environment

Different surfaces breed different bacteria, viruses, and fungi. Identifying the most common risks for your facility can help determine what disinfectant you may need in order to effectively remove these pathogens.

2: Environmental Standards

In this day and age, reducing your ecological footprint isn't as much of a suggestion as much as it is an obligation. While certain cleaning chemicals may generate harsh fumes or contain aggressive ingredients, there are products out there that can help you make better choices for the planet. Products in our ECOLOGO® lineup have undergone rigorous scientific testing, exhaustive auditing, or both, to prove its compliance with stringent, third-party, environmental performance standards.

3: Time Management

Contact time is the amount of time that a disinfectant needs to "rest" on a surface in order for it to destroy the microorganisms that are the hardest to kill. Infact, a disinfectant with certain bacteria and virus claims may not meet all of the claims if the contact time isn't met.

4: Multi-Purpose or Single Purpose

Some disinfectants are simply, just disinfectants. Although having a product that's tailored to one task is important for certain types of cleaning, it could also become a tedious task for facilities that would require extra products to get the job done.

Degreasers

Have you ever wondered how degreasers work? It's all about chemistry! Degreaser is alkaline (base) and grease is acidic. Degreaser neutralizes the pH of the grease, causing it to fall apart (dissociate) and be more easily wiped up. We offer two types of degreasers for both industrial applications and the food industry.

Format	Code
4 L	51413
20 L	51414
210 L	51415

Complex Orange Degreaser

Solvent-free cleaner degreaser that quickly emulsifies and removes the toughest dirt and soils.

Format	Code
4 L	53514

Orang-A-Tang Multi-Use Solvent

A powerful citrus solvent that is effective on a wide range of spots and soils, including gum and tar as well as oil and grease.

Format	Code
5 L	53209
20 L	50142
210 L	53211

Resolve Cleaner & Degreaser

An A.P.E. and butyl-free cleaner and degreaser recommended for use on any washable surface where dirt, grease and oily residue become a problem.

Format	Code
4 L	51359
20 L	51362
210 L	51363

Power Lift Industrial Degreaser

An industrial grade degreaser highly effective to quickly remove grease, oil, dirt and grime. Offers a performance superior to solvent based cleaners while being safe on all metal and non-metal surfaces, including rubber.

Format	Code
4 L	51369
210 L	51371

Power Wash Pressure Wash Concentrate

An effective cleaner and degreaser designed for the truck and transportation industry, that works quickly with minimal effort. Its foaming formula allows for a prolonged dwell time to loosen dirt, grease and oil.

Format	Code
4 L	51433
20 L	51435

Clearinse Foaming Cleaner & Degreaser

Primarily designed for areas controlled and inspected by health and safety organizations (e.g. Meat, poultry, and fish processing plant). Can also be used in many other applications.

Format	Code
5 L	51440
20 L	51349
210 L	51350

Triple Action Cleaner, Degreaser & Disinfectant

Triple Action cleans, degreases, and disinfects in one easy step. Reduce your inventory while simplifying your purchasing decision and maintenance program with this 3-in-1 cleaning solution.

Surface Kleen Plus Cleaner & Degreaser

A highly effective all-purpose cleaner and degreaser, specifically formulated for food industry. Its safe yet powerful formula easily cuts through grease, oil and soils.

Emerald Hard Surface Cleaner & Degreaser

Its safe yet powerful formula effectively cuts through grease, oil and heavily soiled surfaces. This biodegradable cleaner/degreaser is solvent free.

Power Kleen Cleaner & Degreaser

A non-butyl water-based cleaner and degreaser intended for use on any surface where grease and oil residue are a problem. It gives the end users an alternative to butyl-based products.

Bio-Bac Free Fragrance-Free Multi-Purpose Cleaner

Yielding multiple applications with simple dilutions, Bio-Bac Free offers the ideal cleaning solution for floors, windows, stainless steel, restroom surfaces, and even textiles, reducing your product inventory.

Bio-Bac II Bio-Based Cleaner, Degreaser and Deodorizer

A blend of surfactants and bio-cleaning agents that provides a revolutionary cleaning solution. Penetrates hard surfaces to remove organic soils in a safer and more efficient way.

Foodservice

Foodservice establishments must be vigilant in adhering to sanitary standards to avoid any type of cross-contamination or outbreaks of foodborne illnesses. Every aspect of the facility must be properly cleaned to ensure safe food preparation and handling. Maintain your reputation as a hygienic establishment!

Format	Code
1 L	57016
4 L	57018

Degreaser

A powerful degreaser that effectively dissolves any dirt, grease or oil stains. Excellent for floors, painted walls, woodwork, ceramic tiles or metal. Contains no solvents.

Format	Code
1 L	57024
4 L	57026

Dish Detergent

A perfect mix of detergents and foam boosters are utilized in this hand dishwashing liquid, making it tough on grease but mild on hands, while providing lasting foam and leaving no film residue on dishes.

Format	Code
4 L	57030

Foaming Hand Soap

With its luxurious lather, this ecological liquid hand soap removes dirt and rinses clean, leaving skin feeling clean and soft.

Format	Code
1 L	57036
4 L	57038

Glass Cleaner

A glass and surface cleaner with no scent that leaves no residues. Dissolves dirt on glass surfaces, mirrors, vinyl, plastic, Plexiglass, stainless steel, chrome, and counters.

Format	Code
1 L	57012

Grill & Oven Cleaner

Powerful grill and oven cleaner that clings to surfaces and allows optimal contact time to cut through baked-on food, grease, fat, oil, and carbonized residue from metal cooking surfaces.

Format	Code
1 L	57056
4 L	57058

San-Kleen

A sanitizer for use in a third sink for cleaning dishes, glasses, utensils, cutting boards and any other surfaces that frequently come into contact with food.

PROVEN PERFORMANCE.
EASE OF USE. PEACE OF MIND.

FOOD SAFETY COMES FIRST!

Growing consumer awareness of food safety and the need to achieve the highest level of clean has become an important focus for many establishments. From the front of the house to back, we understand the importance of a clean and healthy environment for both your patrons and your employees.

The Facts

- In Canada, more than **4 million cases** of foodborne illnesses occur every year.
- Health Canada estimates that the annual cost related to foodborne illnesses and related deaths, is between **12 and 14 billion dollars**.
- Over **75%** of illnesses can be traced to improper food handling.
- Each year, over **3 million** foodservice employees and over **1 million** patrons are injured in slip & fall accidents.

The Repercussions

- Damaged reputation.
- Negative media exposure.
- Lawsuits and legal fees.
- Insurance premiums.
- Employees missing work.
- The average cost of a slip & fall accident claim is **\$4000** for employees and over **\$60,000** for patrons.

Carpet Care

Carpet serves as a “sink” or collection point for everything that is tracked in or settles out of the air and can be tricky to clean. Carpet and hard floors require the same basic level of care and the same basic steps.

Spots and spills should be attended to quickly, and regular cleaning should be performed on both. Both require a comprehensive program to ensure the best appearance and cleanliness.

Format	Code
4 L	53191
20 L	53193

Eco-Expert Carpet Cleaner

Works well with all Dustbane spot and stain removers. The blend of very low foaming surfactants will not clog vacuums, and allow recovery tanks to be completely utilized. Contains no phosphates.

Format	Code
4 L	53761

Bio-Bac Free Fragrance-Free Multi-Purpose Cleaner

Yielding multiple applications with simple dilutions, Bio-Bac Free offers the ideal cleaning solution for floors, windows, stainless steel, restroom surfaces, and even textiles, reducing your product inventory.

Format	Code
4 L	53762

Bio-Bac II Bio-Based Cleaner, Degreaser and Deodorizer

A blend of surfactants and bio-cleaning agents that provides a revolutionary cleaning solution. Penetrates hard surfaces to remove organic soils in a safer and more efficient way.

Format	Code
4 L	53759

Oxy D.S.T. Hydrogen Peroxide Based Cleaner

Combines the powerful cleaning and degreasing properties of Dustbane's Dynamic Surfactant Technology with the amazing stain lifting power of oxygen bleach.

Format	Code
5 L	53156

De-Foam Foam Suppressor

Formulated to rapidly break up foam, and to maximize the performance of your equipment. It prevents foam from forming in wands and hoses. An excellent additive for parts washing machines.

Format	Code
5 L	53042

Dri-Foam Rotary Carpet & Upholstery Shampoo

Designed for rotary style shampooing using a floor machine and nylon brush.

Format	Code
4 L	52880

Oxy-Q Hydrogen Peroxide Based Disinfectant

Utilizes the power of hydrogen peroxide to create a non-toxic, complete cleaning solution: hard surface cleaner, floor cleaner, carpet cleaner, washroom cleaner, degreaser, disinfectant, and deodorizer.

All About Spots

Category A Spots: Water-Based Spots

Product recommended: **Eco-Expert / Oxy D.S.T.**

1. Blot with a clean white towel to remove excess liquid. Rinse towel thoroughly with clean water. Using a trigger sprayer, apply diluted spotter to spot. Gently agitate towards the center and allow dwell time. Blot to remove liquid. Do not rub! Rinse with clear water to remove any residue and blot excess moisture. Repeat if needed.

Category B Spots: Oil-Based Spots

Product recommended: **Orang-A-Tang**

1. Follow procedure for "Category A Spots" using Eco-Expert or Oxy D.S.T.
2. Apply solvent cleaner sparingly to a clean white towel and apply to spot. Gently agitate. Blot to remove excess liquid then rinse thoroughly with clean water. Blot dry.

Category C Spots: Coffee and Tea Based Spots

Product recommended: **Oxy D.S.T.**

1. Blot to remove excess liquid. Rinse towel thoroughly with clean water. Using a trigger sprayer, apply diluted spotter to spot. Gently agitate towards the center and allow dwell time. Blot to remove liquid. Do not rub! Rinse with clear water to remove any residue and blot excess moisture.

Category D Spots: Biological Spots

Product recommended: **Bio-Bac II / Bio-Bac Free**

1. Before proceeding, remove any solids from carpet.
2. Blot to remove excess liquid. Rinse towel thoroughly with clean water. Using a trigger sprayer, apply diluted spotter to spot. Gently agitate towards the center and allow dwell time. Blot to remove liquid. Do not rub! Rinse with clear water to remove any residue and blot excess moisture.

Personal Care

Hand washing is like the “do it yourself” vaccine. Proper hand washing is not only hygienic, but it is the single most effective way to prevent the spread of infections in all settings – from the workplace and home to childcare facilities and hospitals, and will help you stay healthy. You carry millions of microbes on your hands. While most of them are harmless, you do attract some that can cause illnesses, such as colds, flu, and diarrhea. Germs can be spread by simple person to person contact or by touching a contaminated surface or object and then touching your face.

Hand washing can greatly reduce the chance of spreading or getting germs. The mechanical action of scrubbing loosens up the dirt and microbes on our hands and the soap picks them up and binds to them so that the water can wash them away. The use of gloves is not a substitute for hand washing.

Hand Cleaners

Many people would agree that washing your hands on a regular basis is essential to reduce the spread of common illness, especially during cold and flu season. Easily accessible soap is the perfect way to remind people to wash their hands.

Format	Code
5 L	52896
20 L	52897
210 L	52898

Corsage Pink Hand Soap

Moisturizes and softens hands while cleaning. A pleasure to use because of the rich lather and pleasant fragrance.

Format	Code
4 L	50242

Hand & Body Shampoo Personal Care Product

Specially formulated for gentle cleaning action. This clear blue-green cleanser has a pleasant fragrance and neutral pH balance. It contains no phosphates, and is APE and VOC free. Mild to the skin.

Format	Code
4 L	50220
20 L	50222

Tradition Hand Cleaner

Tradition's emollient containing formula effectively cleans and leaves hands feeling smooth and soft. Use with an open top dispenser in commercial and institutional washrooms, restaurants, hospitality, offices, and schools.

Format	Code
4 L	50228

Tradition Plus Foaming Hand Cleaner

Tradition's emollient containing formula effectively cleans and leaves hands feeling smooth and soft. The foaming formula reduces the amount of soap dispensed by more than 50%.

Accessories & Dispensers

Many people would agree that washing your hands on a regular basis is essential to reduce the spread of common illness, especially during cold and flu season. Easily accessible soap is the perfe

Format	Code
4 L	51771

Polypower Industrial Hand Cleaner

A high quality hand cleaner that combines the highly efficient detergency of cosmetic grade surfactants with the deep cleaning action of a pumice while being soft on hands.

Format	Code
4 L	51767

Ultra Orange Industrial Hand Cleaner

Combining effective surfactants and a natural abrasive, it gently cleans even the most deeply embedded grime, soil and dirt.

Format	Code
Lotion, 900 mL	51703
Foaming, 900 mL	51704

Soap Dispenser Soap Dispenser

This surface mounted unit can affix to the wall at a convenient height that allows the users to easily access them. Available in three sizes: small, standard, large, to fit the space and usage level of all environment.

Format	Code
Foaming (Soap)	51680
Lotion (Soap)	51681
Spray (Hand Sanitizer)	51682

Touchless Soap Dispenser Automatic Soap Dispenser

A touchless soap dispenser that allows for effective hand cleaning or sanitizing while avoiding germs or infection by eliminating physical contact with the unit.

Format	Code
Unit	51777

Industrial Rack Wall Mounted Jug Rack

This tough and durable wall mountable metal dispenser is designed for use in wet or dry environments. It fits 4 L, 4.5 L & 5 L bottles.

Format	Code
Foaming (Black)	51700
Lotion (White)	51701

Open Top Dispenser Soap Dispenser

Made of tough and durable plastic, these 800 mL dispensers are easy to operate, fill and clean. Ideal for dosing of liquid soaps, lotions and shampoos in washrooms, bathrooms, care and medical rooms, and more.

Washroom Care

Regardless of your industry or the size of your company, the state of your restroom can make or break a customer's experience. A clean restroom encourages positive feelings in customers about your business. This is because customers can associate the cleanliness of your company's restroom with the cleanliness of your entire business.

Format	Code
1 L	53732
5 L	53734

Aqua Scrub
Multi-Use Cleaner & Polish

This one-step cleaner and polisher has efficient cleaning abilities and a fresh lemon mint scent. An effective acid replacement cleaner that provides a deep cleaning for multiple surfaces.

Format	Code
4 L	53761

Bio-Bac Free
Fragrance-Free Multi-Purpose Cleaner

Yielding multiple applications with simple dilutions, Bio-Bac Free offers the ideal cleaning solution for floors, windows, stainless steel, restroom surfaces, and even textiles, reducing your product inventory.

Format	Code
4 L	53762

Bio-Bac II
Bio-Based Cleaner, Degreaser and Deodorizer

A blend of surfactants and bio-cleaning agents that provides a revolutionary cleaning solution. Penetrates hard surfaces to remove organic soils in a safer and more efficient way.

Format	Code
1 L	53725
5 L	53727

Hi-Genic ★
Non-Acid Washroom Cleaner & Sanitizer

Designed for the daily maintenance, cleaning, sanitizing and deodorizing of toilet bowls, urinals, bathtubs, sinks, shower stalls, and other hard non-porous surfaces.

Format	Code
1 L	51757
5 L	51755

Blu-Lite Plus ★★
Foaming Cleaner, Disinfectant, Descaler & Deodorizer

This surfactant-based cleaner and disinfectant generates a foam that clings to surfaces to give optimum contact time. Provides a deep cleaning of restroom surfaces.

Format	Code
1 L	53747
5 L	53749

Blu-Lite ★★★
Disinfecting Bowl Cleaner

An all-in-one viscous cleaner, disinfectant descaler and deodorizer. An acid replacement cleaner that offers optimal performance. A complete solution for restroom maintenance.

Format	Code
1 L	53769
4 L	53768

Organic
Restroom & Bowl Cleaner

Surfactant-based, Organic generates a foam that clings to surfaces to give an optimum contact time for a deeper clean. It deodorizes as it cleans multiple restroom surfaces and eliminates rust stains.

Acid Cleaners

Acid cleaners help break down difficult stains like rust or mineral deposits, and make excellent drain openers. Their formula reacts chemically with the material in the clog, and the reaction releases heat, which is necessary to melt congealed grease.

Oxy D.S.T.
Hydrogen Peroxide Based Cleaner

Combines the powerful cleaning and degreasing properties of Dustbane's Dynamic Surfactant Technology with the amazing stain lifting power of oxygen bleach.

Oxy-Q
Hydrogen Peroxide Based Disinfectant

Utilizes the power of hydrogen peroxide to create a non-toxic, complete cleaning solution: hard surface cleaner, floor cleaner, carpet cleaner, washroom cleaner, degreaser, disinfectant, and deodorizer.

Polar
Cream Cleaner

A multipurpose cleaner that powerfully removes dirt, soap scum, hard water build up, and mineral stains from a multitude of surfaces. Its non-acidic formula eliminates the risk of damage to sensitive materials.

Presto ★
Disinfectant Bowl Cleaner

An acid-based cleaner that effectively removes rust, stains, scale and hard water deposits instantly. It cleans and disinfects in one easy step. Does not harm plumbing and septic systems.

Strate Flush ★★
Emulsion Bowl Cleaner & Deodorizer

An acid bowl cleaner designed to clean, deodorize, and remove rust and mineral stains in one operation. Does not harm plumbing and septic systems.

Quick Fix ★★★
Viscous Bowl Cleaner

A fast acting bowl cleaner. Its viscous formula adheres to surfaces of the toilet bowl and urinal allowing for deep penetration to remove hard water stains, rust and even stubborn mineral deposits.

Nitro
Liquid Drain Opener

Provides a powerful and fast acting solution for drainage issues as it clears the toughest clogs from any drain quickly. Safe for all septic systems and pipes, including PVC, plastic and old pipes.

View our **Washroom Care Training Guide** online for more tips & tricks:

Urinal Odour Control

Some urinal designs can cause splashback, in which case a urinal screen with anti-splash feature can become a great way to keep the area around the urinal clean. Using an enzyme-based puck or screen can also help control odours coming from the plumbing.

Format	Code
50 g	53412

Enviro Block ★★ Water Soluble Deodorant Blocks

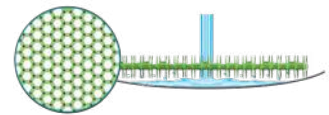

Instantly eliminates persistent odours at their source. The Enviro Block chemically combats drain odours to deodorize restrooms urinals.

Format	Code
Herbal Mint	50260
Mango	50262
Cucumber Melon	50264
Spiced Apple	50266
Unscented	50269

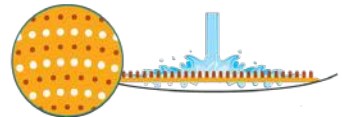

3D Shield ★★★ Urinal Screen

Its unique post and lattice design eliminates 99% of splashback and installation errors. More than twice the fragrance that the competing urinal screens, the 3D Shield releases beneficial bacteria for over 30 days.

3D Shield

Has more open design, increased height, and does not splash.

Competitor Screens

With fewer openings, they pool liquid, causing splashback and more clean up.

Proper Maintenance of Men's Public Washrooms

Our senses are always on alert. The first impression we get of any environment is often the most important one. Visible cleanliness and a pleasant fresh smell go a long way in creating a positive impression in restrooms.

Respondents of a recent survey said they believed “bad” washrooms — those with bad smells, clogged or un-flushed toilets and dirty, unkempt or old fixtures — equated to bad management. And at least 93% of respondents believed the condition of a workplace washroom to be an indicator of how a company values its workforce.

5 Key Maintenance Areas

Multi-Purpose Cleaner:

Keep all hard surfaces clean.

Glass and Chrome Cleaner:

Keep your mirrors, chrome and stainless steel sparkling clean and streak free.

Hand Cleaner:

Hygienic hand washing practice is encouraged by the use of soap dispensers.

Urinal Screens:

The use of urinal screens eliminates odour, splash back and bacteria.

Air Renewal System:

An air renewal system will neutralize airborne odours throughout the room.

Odour Control

The first impression of any environment is often the most important. Visible cleanliness and a pleasant fresh smell create a positive impression of any restroom, change room, office, or other facility..

Format	Code
4 L	53761

Bio-Bac Free
Franchise-Free Multi-Purpose Cleaner

Yielding multiple applications with simple dilutions, Bio-Bac Free offers the ideal cleaning solution for floors, windows, stainless steel, restroom surfaces, and even textiles, reducing your product inventory.

Format	Code
4 L	53762

Bio-Bac II
Bio-Based Cleaner, Degreaser and Deodorizer

A blend of surfactants and bio-cleaning agents that provides a revolutionary cleaning solution. Penetrates hard surfaces to remove organic soils in a safer and more efficient way.

Format	Code
5 L	51146

Stink Relief
Odour Eliminator

This natural enzyme-based formula destroys odour at its source while being safe to use around people and animals. Non-toxic, non-flammable, hypo-allergenic and biodegradable.

Format	Code
5 L	51017

Friendly Air ★
Air Freshener

An advanced concept in malodour removal that eliminates disagreeable and lingering odours. Safe, non-toxic and nonflammable, it will not stain any material unaffected by plain water.

Format	Code
5 L	51014

Disappear ★★
Malodour Counteractant

Effectively counteracts and eliminates a broad spectrum of unpleasant odours. Its ultra powerful formula makes any undesirable odour disappear quickly without using or leaving an overpowering perfume.

Format	Code
5 L	51144

Aquiscent ★★★
Water Soluble Deodorizer

Aquiscent's advanced technology utilizes premium natural fragrance oils and unprecedented residual performance to provide a refreshing boost. Can be used as an air freshener or additive in your cleaning solution.

Format	Code
Cotton Blossom	50270
Mango	50272
Cucumber Meon	50274

Air Flex

The "Almost Anywhere" Air Freshener

Freshens while remaining hidden on the side of toilets, inside cabinets, on the underside of trash can lids, and so much more. Freshens for 30 days with 50x more fragrance than standard toilet rimsticks.

Format	Code
Cotton Blossom	51132
Mango	51133
Cucumber Meon	51131

Air Max

30 Days Passive Air System

Offers consistent and powerful odour control. Designed for a month long performance, it outperforms gels, wicks and aerosols. It fits in any competitor's holders, even fan-powered dispensers.

Format	Code
Unit	50280

Air Flex Holder

Adhesive Holder for the Air Flex

The holder stays in place with two sided tape while the Air Flex is replaced each month. A fresh smelling area without bulky air freshener.

Format	Code
Unit	51130

Air Max Dispenser

Passive Air System

With its sleek and elegant design, it is designed to house the Air Max and achieve maximum odour control without the use of any propellants or batteries. Only natural airflow is required to work effectively.

Odour Control Options

Odour management can be a tough task. With a multitude of options to manage odours, it can be overwhelming and confusing to pick the appropriate product for the task.

The first thing to do when tackling odours, is to find the source. Once you have found the source, the next step is to clean the surface. If you are unable to remove the majority of the source of the odour, odour control products can be used. Many products are available, but what's the difference between an air freshener, an odour counteractant or deodorizer? How do you know which one is best and how do they work? Here's a quick explanation:

Deodorizer/Air Freshener

A product that "deodorizes" will mask odours but doesn't cover the odour permanently — it simply adds a good odour to a bad odour or can give a room a fresh scent if odours are not an issue.

Odour Counteractant/Eliminator

An air freshener with odour counteracts is the best solution for a facility with offensive odours such as smoke and rotting food that should be removed from the air. They neutralize the malodour by breaking down its molecules in the air.

Enzyme Based

Enzyme based products attack the contamination, creating enzymes that break down odour-causing matter. Ideal for bio-based odour such as urine that comes from naturally occurring bacteria and uric acid crystals. The great benefit of enzyme based products is that they'll keep working even after the initial application.

Specialty Products

Particular situations require special products to complete the cleaning task. Maintaining a pristine environment isn't subject to how often or thoroughly you clean, but rather the type of products you use. Find an assortment of far-reaching cleaning supplies that go the extra mile to deep clean, restore and prevent mess and imperfections around your business, office or restaurant.

Format	Code
22 kg	52509
100 kg	52100
135 kg	52135

Dustbane 100% Biodegradable Sweeping Compound

Use to reduce airborne dirt and dust during sweeping of sealed and unsealed wood, concrete and metal floors. Prevents dust and dirt from becoming airborne when sweeping.

Format	Code
4 L	50201

Azure All-Purpose Surface & Glass Cleaner

A surface cleaner that delivers exceptional performance, while being also an ideal choice for glass surfaces.

Format	Code
5 L	53709
210 L	53712

Expo ★★ Window & Glass Cleaner

This eco-friendly liquid glass cleaner leaves glass, windows and mirrors sparkling clean and free of streaks. Designed to clean windows, mirrors, countertops and any washable hard surfaces.

Format	Code
5 L	53682

Magic ★★★ Window & Glass Cleaner

Leaves glass and mirrors looking their best without any streaks or residue. Easy to use, cuts through dirt and oily film while leaving a fresh and clean scent. Designed to clean windows and any washable hard surfaces.

Format	Code
5 L	55064

Dish Shine Liquid Dish Detergent

This lemon scented detergent is ideal for hand dishwashing. A perfect mix of detergents and foam boosters are utilized in this hand dishwashing liquid, making it tough on grease but mild on hands, while providing lasting foam.

Format	Code
1 L	53346
4 L	53347
20 L	53348

Vayselle Liquid Dish Cleaner

Concentrated formula and an excellent degreaser. Its neutral pH, biodegradable formula is tough on grease and fat, leaves dishes sparkling clean but is still mild on the hands.

Format	Code
5 L	53156

De-Foam Foam Suppressor

Formulated to rapidly break up foam, and to maximize the performance of your equipment. It prevents foam from forming in wands and hoses. An excellent additive for parts washing machines.

Doodle Buster
Graffiti Remover

This high foaming formula provides optimal coverage. Although it's ideal for new and old graffiti stains, it can also be used for hard surface cleaning, degreasing, carpet cleaning and removing adhesive residue.

Fryer & Griddle
Fryer & Griddle Cleaner

Quickly penetrates and emulsifies baked on grease, oil and carbon on metal surfaces, leaving behind a clean and odour-free surface.

Hygo H₂O
Dust Control Treatment

Used to chemically treat dust mops, Hygo H₂O traps and holds dust and soil instead of scattering it during the cleaning process. Reduces wear and abrasion by removing sand, dirt and other gritty materials from the floor.

Aerosols

We offer a range of specialty products in the convenience of an aerosol. None of our aerosols contain C.F.C.

Product	Format	Code	Case Qty.
Air Freshener	425 g	50160	12

Ready-To-Use Products

Ready-to-use products offer the convenience of cleaning on the go without having to dilute chemicals. Our 750 mL bottles come equipped with a foaming trigger sprayer for ease of use. They're ergonomically designed and feature a natural colour, allowing you to see the quantity of product in the bottle. We also offer ready-to-use, pre-moistened wipes for one-step cleaning.

Azure RTU
All-Purpose Surface & Glass Cleaner

A surface cleaner that delivers exceptional performance, while being also an ideal choice for glass surfaces.

Disinflex
Cleaner, Disinfectant and Deodorizer

Achieve optimal disinfection in 5 minutes or less! Delivers fast and effective cleaning and disinfecting performance in the convenience of a ready-to-use formula. viruses, and fungi.

Emerald RTU
Hard Surface Cleaner & Degreaser

Its safe yet powerful formula effectively cuts through grease, oil and heavily soiled surfaces. This biodegradable cleaner/degreaser is solvent free.

Oxy D.S.T. RTU
Hydrogen Peroxide Based Cleaner

Combines the powerful cleaning and degreasing properties of Dustbane's Dynamic Surfactant Technology with the amazing stain lifting power of oxygen bleach.

Power Klean RTU
Cleaner & Degreaser

A non-butyl water-based cleaner and degreaser intended for use on any surface where grease and oil residue are a problem. It gives the end users an alternative to butyl-based products.

Quatromyicide II RTU
No Rinse Sanitizer

A neutral quaternary ammonium liquid which is used to sanitize all hard, non-porous surfaces – no rinsing required.

Format	Code
750 mL	51345

Triple Action RTU Cleaner, Degreaser & Disinfectant

Triple Action cleans, degreases, and disinfects in one easy step. Reduce your inventory while simplifying your purchasing decision and maintenance program with this 3-in-1 cleaning solution.

Format	Code
1 L	53020
4 L	53021

Vanguard RTU Ready-to-Use Disinfectant Cleaner

Designed to simplify the cleaning and disinfecting process with no PPE required. The same great formula and results you have come to expect from Vanguard in the convenience of a pre-diluted, ready-to-use product.

Format	Code
180 wipes	53377

Eliminate One Step Cleaner, Disinfectant, Virucide & Deodorizer

A one-step disinfectant wipe that eliminates 99.9% of contaminants in just 15 seconds and complete disinfection in only 4 minutes. No pre-washing or rinsing required.

Format	Code
100 wipes	53378

Sanitizing Wipes Food Contact Surface Sanitizing Wipes

Specifically designed to sanitize food contact surfaces. Ideal for use on most hard surfaces where sanitizing is required without a potable water rinse. Kills 99.999% of bacteria on food contact surfaces in 60 seconds.

Format	Code
120 wipes	53376

Triple Action Multi Cleaner, Degreaser & Disinfectant

Cleans, degreases and disinfects in one simple wipe. Maintaining a clean and sanitary environment has never been so easy.

ModularFlex Series

Simple, efficient, economical and environmentally conscious, Dustbane's reformulated ModularFlex Series was designed to address all your cleaning needs. We now offer 5 highly versatile products, that will reduce your cleaning footprint. The possibilities for these products are practically limitless, making them the ideal choice.

Format	Code
Unit	HSP9184

ModularFlex System Proportioning System

Delivers the flexibility to dispense multiple products and to configure the system as it works best for your application.

Format	Code
2 L	50980

M1 Restroom Cleaner Emulsifying Cleaner

Suitable for toilet bowls, urinals and porcelain. It removes encrustations, scale and stains while keeping toilets bright, clean and smelling fresh.

Format	Code
2 L	50982

M6 Oxy-Q Hydrogen Peroxide Based Disinfectant

Over 500 applications. 97% of cleaning needs addressed in one bottle. Non-toxic and safer than chlorine bleach. Cleans, degreases, deodorizes and disinfects.

Format	Code
2 L	50984

M7 Neutral Cleaner Neutral Cleaner & Ice Melt Remover

Reduces slip and fall accidents by eliminating ice melt residue that attracts water. Removes damaging ice melt residue. Neutralize alkaline residue for flawless floor finish application.

Format	Code
2 L	50986

M8 Glass Cleaner Surface & Glass Cleaner

Suitable for mirrors, glass, porcelain, counters and stainless steel. Removes marks, stains, atmospheric grime and smoke haze. Good for sensitive surface cleaning.

Format	Code
2 L	50990

M11 Degreaser Hard Surface Cleaner & Degreaser

Cuts through grease, oil, and heavy soiled surfaces. Suitable for the food service and industrial settings. Solvent free, caustic free.

Simplifying the way you clean!

Pour un nettoyage en toute simplicité!

ModularFlex Cleaning Chart

The ModularFlex System is complete customizable to your specific needs. Up to 4 products can be used at once. Here are your options:

IMPORTANT:

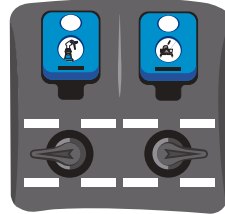

Use and wear protective equipment or clothing required by the employer. The use of protective gloves and safety glasses is highly recommended.

Refer to product label and SDS before use. For complete product information, please consult www.dustbane.ca.

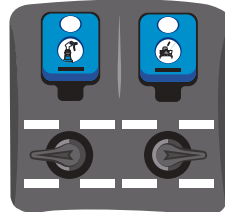

M1 RESTROOM CLEANER Emulsifying Cleaner

For use on sinks, toilets, chrome and other hard surfaces.

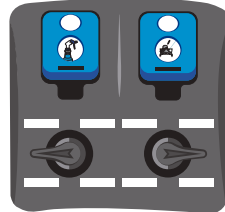

M6 OXY-Q Hydrogen Peroxide Based Disinfectant

Spray and wipe cleaner for surfaces that require disinfection. For use in auto-scrubber or carpet extractors.

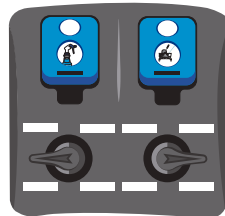

M7 NEUTRAL CLEANER Neutral Detergent & Ice Melt Remover

For use with mop and bucket or auto-scrubber. Spray and wipe cleaner for surfaces that need general cleaning.

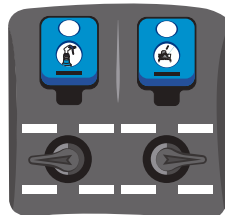

M8 GLASS CLEANER Surface & Glass Cleaner

For use on mirrors, glass, porcelain, chrome, and counters.

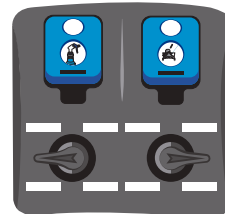

M10 ODOUR CONTROL Malodour Counteractant

For use in cleaning solutions to eliminate chemical smells or to eliminate malodours. Use in a spray bottle as an air freshener.

M11 DEGREASER Hard Surface Cleaner & Degreaser

Spray and wipe cleaner and degreaser. For use on desks, tables, walls, counters, and any surface not harmed by water.

Proportioning Systems

A dilution system automatically mixes a concentrated chemical with water to make a ready-to-use solution that is generally dispensed into a spray bottle or mop bucket. A dilution system offers 3 major advantages; cost savings, cleaner facility and employee safety.

Format	Code
Jug	51055
Lid	51056
Air Flow Tap	51057

Buddy Jug
20 L Jug

Commercial-grade 20 L jug that is user-friendly for easy filling and pouring of diluted chemicals in spray bottles. Translucent to quickly see what's inside. Ideal for storing liquids on a shelf. Parts sold separately.

Format	Code
Foaming (Black)	51700
Lotion (White)	51701

Open Top Dispenser
Soap Dispenser

Made of tough and durable plastic, these 800 mL dispensers are easy to operate, fill and clean. Ideal for dosing of liquid soaps, lotions and shampoos in washrooms, bathrooms, care and medical rooms, and more.

Format	Code
Grey – 1:256	51069
Green – 1:120	51093
Blue – 1:80	51092
Yellow – 1:40	51091
Black – 1:20	51072
White – 1:10	51070

Eco Easy Fill
Portable Proportioning Unit

The water flows through the unit and venturi pressure pulls the correct amount of concentrate as determined by the built-in metering device and mixes it with water for easy dispensing.

Format	Code
3+1	HSP7983
2+2	HSP7984

EnviroFlex
Proportioning System

This system can be configured with 2 (1 GPM)+2 (3.5 GPM) or 3 (1 GPM)+1 (3.5 GPM), allowing product and application flexibility and allowing you to customize the system to your needs.

Format	Code
Unit	H35331

AccuMax
Proportioning System

Dilution is controlled by drawing chemical through metering tips of varying sizes and injecting this metered amount into the water flow.

Format	Code
Unit	51773

Dispensing Pump
Dispensing/Proportioning Pump

Attaches directly to bottle for on-the-spot use and offers a highly controlled pumping action from its fixed nozzle, with reduces splashing and a highly directed liquid output. Dispenses 15 mL (0.5oz) per pump.

Format	Code
Unit	HSP9184

ModularFlex System
Proportioning System

Delivers the flexibility to dispense multiple products and to configure the system as it works best for your application.

Format	Code
Unit	51774

Proportioning Pump Dispensing/Proportioning Pump

Attaches directly to bottle for on-the-spot use and includes a stopper mechanism that allows for either a 15 mL pump or a 30 mL pump.

Format	Code
Unit	H5824

Satellite Sprayer/Foamer Portable Dispensing System

Designed to simplify the cleaning and disinfecting process with no PPE required. The same great formula and results you have come to expect from Vanguard in the convenience of a pre-diluted, ready-to-use product.

Format	Code
Unit	72000

Victory Handheld Sprayer Cordless Electrostatic Sprayer

The Victory Electrostatic Sprayers' patent-pending technology provides an electrical charge to the disinfectant, allowing them to wrap conductive surfaces with effective and even coverage.

Format	Code
Unit	51075
Tether Kit	51074

RiteFlex Handheld Dispenser

Simply attach the hose to a water source and effortlessly fill mop buckets, sinks, auto-scrubbers, or empty bottles, all without the need to hold the weight of the container.

Format	Code
Lotion, 900 mL	51703
Foaming, 900 mL	51704

Soap Dispenser Soap Dispenser

This surface mounted unit can affix to the wall at a convenient height that allows the users to easily access them. Available in three sizes: small, standard, large, to fit the space and usage level of all environment.

Format	Code
Unit	72001

Victory Backpack Sprayer Cordless Electrostatic Sprayer

The Victory Electrostatic Sprayers' patent-pending technology provides an electrical charge to the disinfectant, allowing them to wrap conductive surfaces with effective and even coverage.

Format	Code
Unit	H5844

Satellite Sprayer Portable Dispensing System

Offers a mobile dispensing system at low-cost. It is a portable means of accurately diluting concentrated cleaning products for use in mop buckets, sinks, auto-scrubbers, tanks and other containers.

Format	Code
Foaming (Soap)	51680
Lotion (Soap)	51681
Spray (Hand Sanitizer)	51682

Touchless Soap Dispenser Automatic Soap Dispenser

A touchless soap dispenser that allows for effective hand cleaning or sanitizing while avoiding germs or infection by eliminating physical contact with the unit.

Format	Code
Worldchem Dispenser	H959
Hose	H132
Multi-Function Nozzle	H960

WorldChem System Wall Mounted Foaming & Spraying Dispensing System

Automatically dilutes and dispenses concentrated cleaning products in a foaming and/or spraying mode while providing the end user with full volume rinse.

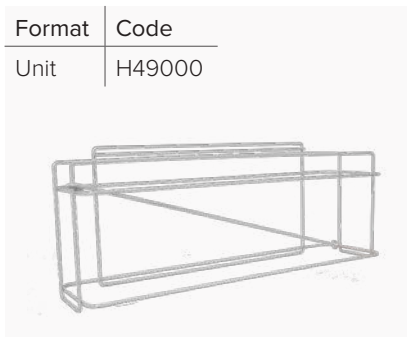

Dispensing Accessories

A dilution system automatically mixes a concentrated chemical with water to make a ready-to-use solution that is generally dispensed into a spray bottle or mop bucket. A dilution system offers 3 major advantages: cost savings, cleaner facility and employee safety.

Industrial Rack
[Wall Mounted Jug Rack](#)

This tough and durable wall mountable metal dispenser is designed for use in wet or dry environments. It fits 4 L, 4.5 L & 5 L bottles.

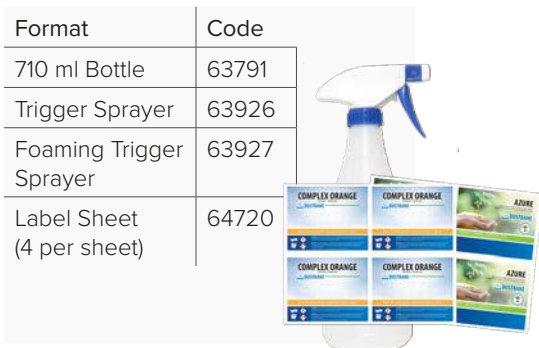

Lockable Wire Rack
[Lockable Wire Rack](#)

This chemical holder will accommodate four 4 L or 5 L, or seven 2 L bottles. Made from sturdy steel wire and come with a locking bar. Powder coated with a tough grey finish that can be easily cleaned.

Wall Bracket
[Wipe Dispenser](#)

Metal rack is affixed to the wall for easy wipe dispensing. Compatible with all Dustbane wipes.

Workplace Accessories
[Workplace Accessory](#)

Cost In Use:

An important factor to consider when purchasing a product is the cost in use. Comparing the litre's prices is not a good indication of the final price paid. The formula to obtain the cost in use is as follows:

Unit Price / Unit Size = Price Per Litre

Price Per Litre / Sum of Parts from Dilution = Cost in Use (Per Litre)

Dilution	Price	Format
1:80	\$23.00	4 L

$\$23.00 / 4 \text{ L} = \5.75

$\$5.75 / (1+80) = \textbf{\$0.07 per litre}$

Dilution Chart

Use this chart to determine the chemical to water ratio. The smaller number is the parts of chemical, while the large number is the parts of water.

DILUTION RATIO	TIP COLOUR		OZ / CAD GAL	ML / L	OZ / US GAL
	1 GPM	3.5 GPM			
1:1	NO TIP	NO TIP	160	1000	128
1:3	GREY		54	333	43
1:4	BEIGE	GREY	40	250	32
1:5		BLACK	32	200	26
1:10	TAN	BEIGE	16	100	13
1:15	GREEN		11	67	9
1:20	ORANGE	WHITE	8	50	7
1:30	YELLOW		6	34	5
1:40	AQUA	GREEN	4	25	4
1:60	PURPLE	BROWN	2.7	17	2
1:64	PURPLE	ORANGE	2.5	16	2
1:80	LIGHT GREY	BROWN	2	12.5	1.6
1:120		YELLOW	1.35	8.5	1.2
1:128	PINK	AQUA	1.25	8	1
1:160		PURPLE	1	6.25	0.8
1:256	LIGHT PURPLE	LIGHT GREY	0.63	4	0.5
1:320		PINK	0.5	3.25	0.4

**Water thin products: 40 psi*

CONVERSION CHART:

1 US gal	=	128 oz
1 qt.	=	32 oz
1 pt.	=	16 oz
1 cup	=	8 oz
1 oz	=	1/8 cup
2 cups	=	1 pt.
2 pt.	=	1 qt.
4 qt.	=	1 gal

EQUIVALENCE:

1 CAD gal = 4.55 L	1.25 US gal
1 US gal = 3.78 L	0.8 CAD gal
1 L = 0.22 CAD gal	0.26 US gal

DISPENSING PUMP:

1 pump with clip	=	15 mL
1 pump without clip	=	30 mL
15 mL	=	0.5 oz
30 mL	=	1.0 oz

Cost In Use:

An important factor to consider when purchasing a product is the cost in use. Comparing the litre's prices is not a good indication of the final price paid. The formula to obtain the cost in use is as follows:

Unit Price / Unit Size = Price Per Litre

Price Per Litre / Sum of Parts from Dilution = Cost in Use (Per Litre)

Disinfection

Dilution	Price	Format
1:20	\$23.00	4 L

\$23.00 / 4 L = \$5.75

\$5.75 / (1+20) = **\$0.27 per litre**

Cleaning

Dilution	Price	Format
1:80	\$23.00	4 L

\$23.00 / 4 L = \$5.75

\$5.75 / (1+80) = **\$0.07 per litre**

Cleaning Tools

Cleaning sponges are a great tool for every day cleaning needs, and greatly aid in accomplishing a cleaning task. Selecting the right sponge for the job can make a real difference. Proper tools make a cleaning job a task instead of a chore.

Light Duty Scouring Pads
[Scouring Pad](#)

Ideal for glass, stainless steel, porcelain, chrome, copper and ceramic surfaces. Won't scratch or dull most surfaces.

Medium Duty Scouring Pads
[Scouring Pad](#)

Ideal for common cleaning jobs. Cleans pots, pans, kitchen equipment, floors, stairways and baseboards. Will not scratch or dull most surfaces.

Extra Heavy Duty Scouring Pads
[Scouring Pad](#)

Ideal for pots and pans with its powerful scouring action. Removes heavily encrusted baked-on food. Great alternative to the metal scouring pads.

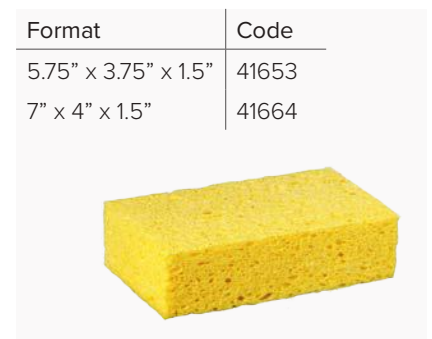

Light Duty Scrubbing Sponge
[Scrubbing Sponge](#)

Dual-action cleaning tool. One side has a light-duty scouring pad for scrubbing and cleaning and the other, a cellulose sponge to quickly wipe up spills and messes. Will not scratch or dull most surfaces.

Medium Duty Scrubbing Sponge
[Scrubbing Sponge](#)

Dual-action cleaning tool. One side has a medium-duty scouring pad for scrubbing and cleaning and the other, a cellulose sponge to quickly wipe up spills and messes.

Cellulose Sponge
[Sponge](#)

Ideal for general maintenance. More absorbent than polyurethane sponges and stronger so they last longer.
